ADAM AND EVE.

What's a woman? Ask a man,
What d'you fancy he will say?
"Airs and graces, frills and laces,
Never knows what she wants each day!"
Why, then, gossip, tell me true,
Why you woo her—as you do?

Ask a woman: What's a man?
What d'you fancy she will say?
"Swagg'ring, swearing, overbearing,
Always wanting to have his way!"
Say, then, gossip, if you can,
Why you wed him—horrid man!

Gentle sir and sweetest madam,
Would you know the reason true
Why today you scorn each other
And tomorrow bill and coo?
Ask your parents Eve and Adam,
They can tell, and—so can you!

The Heather carried off first honors in the race from Gravesend Bay, L. I., to Hamilton, Bermuda, winning the Bermuda Challenge Cup and a purse of \$1,000. IN JAIL

In New York is M. A. Ruggles, a Former Maysville Lawyer

A recent dispatch from New York has the following account of the arrest and imprisonment of Attorney Ruggles, formerly of this city:

M. Alvin Ruggles, 42 years old, who says he is a lawyer and lives at 440 West Twenty-third street, was arrested Thursday charged with grand larceny by the good old device commonly known as that of the "Harlem Heiress." He also was charged with carrying concealed weapons because of the incident of a revolver dropping to the floor at the time Detective Oswald of the Central office told him he was under arrest.

The complainant against Ruggles is James V. Schneider, who charges him with obtaining from him \$100 cash on March 15th, 1909, for the purpose of bringing a suit against certain people in New York City for the possession of certain Harlem property called the "Harlem Commons estate."

Detective Oswald said that the matter had been brought to the attention of the police by Milton G. Butterfield, of the law firm of Dutton & Butterfield of 115 Broadway. Mr. Butterfield told the police that he understood Schneider had been brought on from Indianapolis by Ruggles on the pretext that Schneider had a

claim to a section of this "estate," and that the Indianapolis man had given up to Ruggles \$1,000 in all, \$100 of which was turned over in this city.

Ruggles was particular about the cell in which he was to be put, that it should be perfectly clean and free from all vermin. He denied the charges against him and said that he belonged to a prominent and respected Southern family. The police say that Ruggles came to this city from Cleveland and Cincinnati about two months ago. Another former address, according to the police, is Maysville, Ky.

Schneider, the detective says, is but one of several complainants against Ruggles in connection with his Harlem realty scheme.

FILLING THE CHURCHES

Minister Harrop Replies to Plan Suggested By Citizen

Editor Maysville Public Ledger—My Dear Sir: Your correspondent, whose writing was published in last Wednesday's issue of your paper under the title, "How to Fill the Pews of Maysville's Churches," raises a question of deep interest to the public in general and to some of us in particular. It is the question over which we Proctors literally sweat, and some of us plead guilty to trying many ways, without gaining overwhelming success. Your correspondent, however, has something to say that has the merit of newness, at least. Here in brief is his plan: "For the second Sunday in June—The Hon. A. M. J. Cochran in the Opera-house; the Hon. E. L. Worthington in the Courthouse; Thomas A. Davis in the Beachwood Park Auditorium. For the third Sunday in June three more as good men, if you can find them."

Certainly we have no wish to reflect in any way upon the honorable gentlemen mentioned, but the plan to fill the Churches by placing them in these public auditoriums seems difficult, unless your correspondent thinks the public would attend Church in self-defense, driven there by honorable gentlemen, two of whom would be located almost in the city's extremes. And of course there is the difficulty of the third Sunday in June. Where, oh where, shall three more men "as good" be found? Some of us have thought that the "Old Town" had at least six really good men. Perhaps the honorable gentlemen will receive our warmest congratulations, hereby tendered. At the same time it must be "mighty lonesome" for them.

Then there is still left to us the greater difficulty of the fourth Sunday in June and most likely a few more Sundays after that. Mr. Editor, if this escapes the waste basket we shall be encouraged to address (with your permission) an "open letter" to the men of Maysville upon the same subject. Cordially, F. W. HARROP.

BOOSTS OHIO RIVER

U. S. Board of Engineers Gives Mississippi River Route Deep Waterway Black Eye

The proposed 14-foot deep waterway project from St. Louis to the Gulf received a blow when the Board of Engineers reported to Congress that such a waterway is not desirable.

The waterway would cost \$128,000,000 for construction and \$6,000,000 annually for maintenance, the engineers say.

The report was based on a survey of the Mississippi river by a special Board of Engineers, created by act of Congress.

The conclusions reached by both the special Board and the regular Board of Engineers are practically the same.

Liver Trouble Remedy Free

Any intelligent person can be his own doctor in the ordinary case of liver trouble, for the symptoms cannot be mistaken. If the white of the eye becomes yellowish, if the skin becomes sallow, if pimples and blotches appear, if the bowels do not move, if you have sick headache, if you are bilious, you may be sure that your liver is torpid or inactive.

The quickest and surest remedy yet found for the cure of liver trouble or any of its symptoms is Dr. Caldwell's Syrup Pepsin, the great herb laxative compound. This wonderful remedy is not only a laxative, but a tonic as well. It will start the flow of gastric juice, thereby soon enabling the liver to do its work naturally. A bottle of this great liver remedy can be bought of any druggist for 50 cents or \$1, and in many cases a single bottle has cured a chronic case.

For example, John W. Lee, 619 S. Pennsylvania ave., Indianapolis, Ind., had a stubborn and very long-standing case of liver trouble, with pimples, blotches, jaundice, etc., and it cured him. Mrs. B. Finchum, Jackson, Ky., says the same of it. Thousands of families keep it in the house against just such an emergency, as you can never tell when some member of the family will need a good laxative.

In order to have you or any other sufferer from the liver make a test of Dr. Caldwell's Syrup Pepsin without personal expense, Dr. Caldwell will send you a free test bottle if you will send your name and address. The sample will show you how pleasant it is to take, how gently it works. It will start you on the cure of your trouble and convince you that you have found a cure. That is the object of the sample, and the doctor urges you to send for it today.

If there is anything about your ailment that you don't understand, or if you want any medical advice, write to the doctor, and he will answer you fully. There is no charge for this service. The address is Dr. W. B. Caldwell, 507 Caldwell bldg., Monticello, Ill.

Sold by J. J. Wood & Son, Druggists

Bread is selling at fifteen cents per loaf in New York, owing to the increased cost of flour and strike of the bakers.

The new Lincoln cents will be distributed the first week in August. They will supplant the cent with the familiar Indian head upon it.

A WOMAN'S APPEAL

To all knowing sufferers of rheumatism, whether muscular or of the joints, sciatica, lumbagoes, backache, pains in the kidneys or neuralgia, palus, to write to her for a home treatment which has repeatedly cured all of these troubles. She feels it her duty to send it to all sufferers FREE. You cure yourself at home, as thousands will testify—no change of climate being necessary. This simple discovery banishes uric acid from the blood, loosens the stiffened joints, purifies the blood and brightens the eyes, giving elasticity and tone to the whole system. If the above interests you, for proof address Mrs. M. SUMMERS, Box R, South Bend, Ind.

GOT HIS HAIR BACK.

Was Perfectly Bald When He Started to Use Newbro's Herpicide.

Frederick Manuell, Maryland block, Butte, Montana, bought a bottle of Newbro's Herpicide, April 6, '09, and began to use it for entire baldness. The hair follicles in his scalp were not dead and in 20 days he had hair all over his head. On July 2 he writes, "and today my hair is as thick and luxuriant as any one could wish." Newbro's Herpicide works on an old principle and with a new discovery—destroy the cause and you remove the effect. Herpicide destroys the germ that causes dandruff, falling hair, and finally baldness, so that with the cause gone the effect cannot remain. Stops falling hair at once and a new growth starts. Sold by leading druggists. Send 10c in stamps for sample to The Herpicide Co., Detroit, Mich. \$1 Bottles Guaranteed.

WHAT IS HEM-ROID?

A Tablet, Taken Internally, That Cures Piles

Piles (hemorrhoids) are getting more common every day, because we live unnaturally, overeating, overworking, taking little exercise, gradually causing a deadening of veins and tissues in the lower bowel. Blood stagnation is the cause of piles and a condition that can't be permanently cured with ointments.

Dr. Leonard's Hem-Roid is the only internal tablet remedy that cures piles by freeing the circulation. Sold under guarantee at J. James Wood & Son's, Mayaville, Ky. Price \$1. Dr. Leonard Co., Station B, Buffalo, N. Y.

SHIP LOAD OF DEAD

Awful Slaughter of Christians By Murderous Turks as Seen By Maysville Sailor Boy

Again it has been demonstrated that "The Man From Mayaville" plays "Johnny on the spot" every day and in every place in the world-wide tragic-comedy in the drama of "Human Life."

If the North Pole is ever located it will be by "The Man From Mayaville," or he'll be in sight of the man who does make the discovery.

In all the great upheavals and natural phenomena, in every world-tragedy, you may always depend upon it that a Mayaville man "just happens" to be present at the big doings. Now the latest episode of world-wide interest and horror, that of the butchery of 25,000 helpless Christians of Armenia, Turkey, by crazy Mohammedans, was witnessed, or rather the ghastly results of it seen, by Thurman Pollitt, a Mayaville boy, and a son of the late John B. Pollitt, and who is now a gallant Jackie on the U. S. Battleship North Carolina, now at Messina, Turkey. It will be remembered that the North Carolina was the famous sea-fighter which bore President-elect Taft to Panama and carried the historic bath tub, the largest ever built for a single individual.

Thurman is a grandson of Mr. R. H. Pollitt of this city. His aunt, Mrs. T. M. Russell of East Third street, this week received a letter from Thurman, which, from the facts it contains, is of lively interest to the public, in that it not only shows the awfulness of the Turkish horrors, but narrates in a brief way what a young man experiences on many expeditions sent by Uncle Sam to protect American interests and to ameliorate the condition of the oppressed humanity wherever "Old Glory" unfurls her Stars and Stripes.

Following are the main points in the letter to Mrs. Russell:

MERSINA, TURKEY, May 16th, 1909. "We left Cuba on the 23d of April and arrived at Gibraltar the 5th of May. Coaled ship there and left for here the 7th and arrived here the 13th.

"The people here are sure raising hell. There have been over 30,000 people killed already. The bay where we are anchored was full of dead bodies the day we came in here.

"It is no uncommon sight at all to look over the side and see two or three dead ones go by. 'You can see men, women and children lying in the streets dead, wounded and dying. It sure is an awful sight to see. 'A steamer left here the other day with

four deck-loads of dead bodies and dumped them at sea.

"We came through the Straits of Messina on the way over here and passed right by Messina, Italy, where the earthquake was.

"I don't know how long we will be over here or where we will go when we leave."

The distinguished honor of delivering the annual address before the American Bar Association is understood to have been given Governor Augustus E. Willson this year. The meeting will be held August 25th in Detroit.

INDIAN BATTLE GROUND

On Site of Augusta—Interesting Finds Mark the Spot

Augusta Chronicle.

From all appearances, the vicinity of Augusta must have been a battle ground for the Indians in the early days. By digging under the ground for only a few inches in almost any part of town, human bones can be found, and occasionally the complete skeleton, which generally crumbles after being exposed to the air a short time. The position of the bones causes one to believe that the bodies were never buried, but were left in the position that they fell in battle. One skull was found complete, in which a flint spear had been driven through the temple. Besides the skeletons a number of pipes, spears, flints, etc., used by the Indians, have been found in a fair state of preservation. It has been more than 111 years since Augusta was settled by the whites, consequently it must have been years prior to this time that the Indians used this section as a battle ground.

much needless pain when they delay using Cardui for their female troubles. Cardui has been found to relieve headache, backache, pain in the side and dizziness arising from deranged organs. It does more than relieve,—if used persistently,—many have written to say that it cured them.

TAKE CARDUI

It Will Help You

Mrs. Maxwell Johnson, Tampa, Fla., writes: "Cardui cured me after doctors and everything else had failed. I had been suffering with numb spells ever since I was 16 years old. One day I decided to take Cardui. I have now taken 6 bottles and I can say that it has cured me. I advise all suffering women to give Cardui a long and fair trial."

Mrs. Johnson suffered years. Have you? Do you wish to? But why suffer at all? Take Cardui. Give it a fair trial.

SPECIAL NOTICE TO CORRESPONDENTS.

THE PUBLIC LEDGER'S limited news space, caused by crowded advertising columns, compels us to boil down and condense all matter; therefore, we many times have to consign "valuable contributions" and all dead-weight matter to the capacious maw of our handy waste baskets, and we have then always in commission. Our splendid corps of correspondents will kindly understand that many times their items are not published simply for lack of space. The Editor of THE LEDGER suffers the most from this very cause, as we have had to cut out hundreds of columns of editorials and other matter just because there was no room for it. Correspondents will kindly sign their name, date and place to all items, and never write a for a. d. See?

A handsome cup will be the prize offered for the contest. Good music and all kinds of sport will be provided for the occasion. Our out-of-town cousins don't want to miss the fun.

ONLY ONE.

The Record in Maysville is a Unique One.

If the reader has a "bad back" or any kidney ill and is looking for relief and cure, better depend on the only remedy endorsed by people you know. Doan's Kidney Pills relieve quickly—cure permanently. Maysville citizens testify to this. Here is a case of it:

Mrs. Nathan A. Hafer, Maysville, Ky., says: "My opinion of Doan's Kidney Pills is so high that I have not the least hesitation in publicly recommending them. For ten years I was bothered by backache, during which time I tried various remedies without obtaining beneficial results. There was a constant dull ache across my back, often accompanied by sharp rheumatic twinges throughout my body. I was also subject to nervous headaches and dizzy spells, and on arising in the morning, felt very tired. My husband advised me to give Doan's Kidney Pills a trial, and I procured a box at J. J. Wood & Son's Drugstore. They proved very beneficial in my case and in a short time cured me."
